1. I, _____, (Name of Participant) acknowledge that I am aware that by participating in the University of Victoria Greek and Roman Studies excavation program in Greece (GRS 495: Archaeological Fieldwork), I will be exposed to certain risks, including, but not limited to all risks associated with travel in a foreign country, which may result in injury to me, damage to or loss of my property or even death. I acknowledge that I have reviewed the materials given to me relating to the arrangements for travel, food and accommodation and I fully and voluntarily accept all the risks of participating in this program.
2. In consideration of the University allowing me to participate in the program and as a condition of my participation, I, on behalf of myself, my heirs, executors, administrators and assigns, hereby release the University of Victoria, members of its Board of Governors and anyone employed by the University, and their heirs, executors, administrators and assigns from any and all manner of claims, causes of action, and suits of any nature or kind whatsoever, however arising, including, but not limited to, claims for loss, damage or compensation arising out of the negligence of any employee or agent of the University of Victoria, and including (but not limited to) claims for injury to my person or property or death and I hereby waive any such claim, cause of action or suit that I might have against any of them in connection with my participation in the above activity.
